Test Student, Registrar’s S

Dear Registrar's,

You are currently enrolled in a course that illegally duplicates Advanced Placement credit. Specifically, you are enrolled in ENL 003 for the Fall Quarter 2015 term, and this class duplicates credit you received for the AP English exam, in which you received a score of 5.

You must drop this course. Failure to drop this course will result in removal of credit upon completion. Please contact us immediately if you have any questions or concerns.

More information on Advanced Placement credit duplications may be found in the General Catalog: http://catalog.ucdavis.edu/PDF/CollegeBoardAdvancedPlacement.pdf

Thank you,

Who Has Access?

- Instructors have access to rosters of courses they teach (must be Instructor of Record in Banner).
- Staff with “Class Rosters” privilege have access to rosters in specific subject areas.
- Office of the University Registrar staff have access to all rosters.
Where Is It?

Instructors will be able to access PhotoRosters via a link from the “Courses I Teach” tab in the myUCDavis website (link coming soon).

Anyone (with access) can get to PhotoRosters at:

photorosters.ucdavis.edu
Barbara Noble
Senior Associate Registrar, Office of the University Registrar

- Pass time assignment changes
- Banner HOLD responsibility
Beginning with the Winter 2016 registration cycle assignment of pass times for all undergraduates will ONLY include UCD units and transfer units.

No longer will AP, IB and “A” exam units be considered when assigning pass times for registration.

Reasoning: “This change in policy ensures that all students are treated fairly in the registration process. All students will have equal access to available seats in courses.”
Banner HOLD responsibility

Banner HOLD codes have been created for various reasons most commonly for health and financial reasons.

If you have access to place or remove HOLDs please note: you should ONLY remove HOLDs that you or your office has placed.

If students come to your office complaining they can’t register because of a HOLD, you MUST send them back to the office that placed the HOLD to get the HOLD removed, you may not under any circumstances remove the HOLD, not even temporarily!!!

End of Term 101
OUR proposes timeline for EOT processing to Dean’s Offices

Initial grade roll to the student record ~week after quarter ends; students can view grades after initial grade roll: transcript reflect grades but may include incorrect GPA and unit calcs

Grades are rolled to the student records nightly grades submitted by 5pm will be rolled into Banner that night

Dean’s Offices run missing grades report and contact departments with missing grades to encourage faculty/dept to submit grades (Instructors are asked to submit grades within 72 business hours of their final exam but some do not comply)
Prior to EOT processing, OUR-Ops runs some processes (starts ~10 days after term ends, a few days later for fall quarter due to office closure)

- final grade roll, I to F, NG to F, gpa/current academic standing calculations, etc [takes ~4 hours]
- final repeats report to the Record’s Unit/Julie’s team for manual repeat processing [takes ~4 hours])

Once manual repeats processing complete, OUR-Ops runs EOT processes (EOT academic standing, minimum progress, dean’s list, rank in class [takes ~4 hours])

Dean’s Offices are notified once EOT processes complete
Note: there is a period of time, during the EOT process, between when students and advisors can see grades on the student record/official transcripts/advising transcripts but these grades are not included in the GP and unit calcs. All gets corrected once the final EOT processes are completed.
